About This Collection

Step into Laura Farms: from dusty acres of harvest season to intimate field portraits in Frederick, this gallery captures Laura Kirkpatrick in her element—unwashed hair, men's clothes, and that farm fashion icon glow. The pretty woman behind the YouTube channel and Instagram fame poses for a vacation shoot that sizzles, while nods to Dodge Boy Dougo and irrigation add rustic heat. Meet the owners of your fantasies and see why fans call her absolutely stunning. View the full gallery via the link above.
