Gallery.

## About This Collection

The 61st New York Film Festival main slate was announced, yet this gallery flips the script toward private ip cam clips of Julio and Jose. The Idol episode 4 recap says stars belong to the world; here the world is a bedroom and a camera escondida. A dark living room, a one night stand, hidden camera footage from a dormitory toilet and a teacher scene with Jose and Julio. View the full gallery via the link above.
