About This Collection

Lynnette and Elysia from Honkai Impact 3rd lead this collection of original concepts and evocative scenes, drawn by Dlaldn. Year of release details sit alongside the gallery notes. Elysia glows with seductive power, and Lynnette holds her own beside her across four sets of images. The work moves between quiet poses and bolder, more suggestive framing, with the character at the center of each shot. Follow the link above to see every picture in the full gallery.
