About This Collection

Naked Favdolls rounds up adult photos from an online archive, with cute models labeled Rajce and deti, a vacation couple, bath scenes, and a nude dancer caught by flash. The Russian keywords голые, детки, купаются, порно, фото, and онлайн set the tone, while naked recurs across page names beside favdolls and slideshow labels. Even the stray quot tag reveals the site’s rough gallery text. Follow the link above to view the full photos and slideshow.
