About This Collection

Models move through a municipal design guidelines shoot like a working session: Berthoud landscape precepts on the table, Telluride Main Street and River Park Corridor maps pinned nearby, the Red Book open to AO 2021-003-OP. The action stays direct, people-first, and close to the documents. A Halifax council room and Utile waterfront resilience plans set the next scene, with Pune safety notes and Beaumont urban design cues in reach. View the full gallery via the link above.
