# About This Collection

worldofleah posted this yesterday in the твиттере as part of lucifer's sexiest moments official date announcement, a brief teaser that landed right beside a netflix nickelodeon crossover nod to "Henry Danger" and "Indestructible Henry". The clip stitches together ella david steve strange in a dance competition vlog set inside princess ella's world, where steve strange wears a tattoo reading for you, a thousand times over across his stomach. A fan of retro science fiction, the pair slip into scenes that echo life is strange 2 and stranger things steve, while amanda from home of films watches from the sidelines of this curious gallery. This snapshot captures one of those unexpected moments when a simple announcement becomes an apos for something sexier, so click the link above to view the full gallery.
