About This Collection

jasminesummer brings jasmine and summer into a couple show with outdoor energy, public teasing, and a ticketshow feel from a 2023 live set. Watch her take charge with a strapon, fuck against a tree, ride toys on a car roof, squirt publicly, and keep the mustwatch mood raw and direct. The scene moves from car play to crowd-facing action with clear Stripchat style. View the full gallery through the link above.
