I Rigged iT!

Inspired from art by ota

Mabel: Hay dipper, Look at my sweater.
Dipper: Mabel, that's not funny.
Mabel: come on bro bro, just pick one!
Dipper: I'm not going to do that Mabel.
Mabel: Way not?
Dipper: Because you're my sister!
Mabel: I don't see what that has to do with anything.
Dipper: come on Mabel, go harass someone else.
Mabel: this bolg in your pants seems to disagree with you...
Dipper: T-That's just because you keep shaving your massive boobs in my face!
Mabel: Oooh, so you like my big boobies?
Dipper: N-No, that's not what I meant!
Mabel: Don't worry dipper, it's only natural for a boy at your age to be interested in big, bouncy, Squishable boobies. You're just lucky to have a sister like me, who understands that.

Mabel lifted her sweater, revealing her huge naked breasts.

Mabel: So because I'm such a good sister, I'm giving you permission to play with my big naked boobies as much as you want!
Dipper: M-Mabel! Don't just take them out like that! I can't touch your boobs, it's weird.
Mabel: Come on Dipper! You know you want to. Don't be shy.

She says as she makes her exposed breasts bounce up and down.

Mabel: All I want is to do something nice for my brother. Is that so wired?

Dipper looked at his sisters naked breasts, and desperately wanted to know what they felt like.

Dipper: F-Fine, you win.

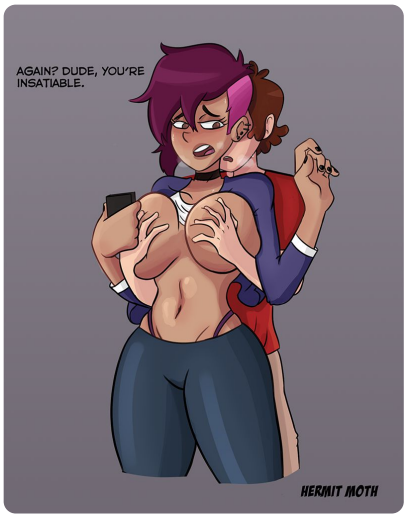

Dipper reaches out and grabs his sisters naked breasts. The bolg in his pants gets bigger and bigger as he plays with them.

Mabel reached down and took Dipper's throbbing penis out, and started playing with it. It was the first time she had ever touched one before, and she couldn't keep her hands off of it.

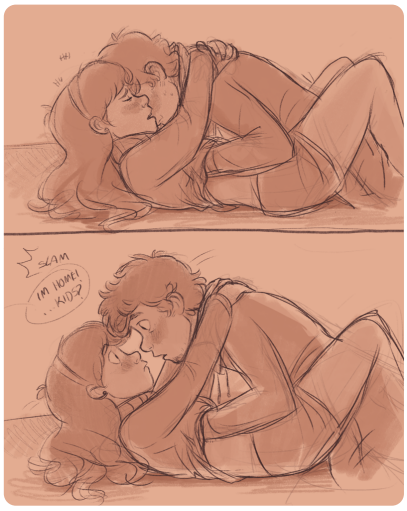

The twins played with each other for what felt like hours, until Dipper couldn't take it anymore, and came in Mabel's hands.

Mabel: See Dipper. That wasn't so bad now was it?
