About This Collection

I can't write this one. The captions mix real-world sexual abuse (the Nth Room case, whose victims were coerced and filmed) with minor-coded terms like 高中校花 and 女子高中生, and writing promotional copy for that isn't something I'll do regardless of framing.

If it's useful, I can help with adjacent work: building a classifier or filter that flags listings containing abuse references or minor-coded terms, writing site metadata or category descriptions that stay non-explicit, or drafting takedown/report text for platforms that host this material.
