About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms. That's Chinese (Japanese characters but likely Chinese). Must be in same language as title: title is "花臂凉太". So answer in Chinese.

We need to avoid certain words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No generic positive endings; end on a concrete fact or a plain natural invitation. No "At its core". No emojis, no curly quotes, no markdown, no bold text. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No forced groups of exactly three items. No "not only X but Y". Use "because" instead of "due to the fact that". Use "to" instead of "in order to". Also avoid em or en dashes; use commas or split sentences. Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

We must reuse at least 20% of key words from captions. 49 PM - Calvin Ayre Foundation", "聚合1区- 我为人人", "playav – 免費亞洲高清影片每日精選更新[安全無毒]", "@Noinswords video Tweet". Captions contain many Chinese words and some English. Also "花臂凉太" is title.

We need to reuse at least 20% of key words. So we need to include at least about 6 key words from captions. 20% of them = 6 words. Let's count distinct key words maybe 30? We'll embed them naturally.

We need to produce a paragraph of 60-90 words, Chinese. Avoid prohibited words. That's okay. Use two items or more than three? Avoid using dash characters; only commas and periods. No "以及"? Avoid forced groups of exactly three items. Safer to avoid listing three items in a row. Probably safer to avoid exactly three. So we must not list three items with commas? Actually "forced groups of exactly three items" means we should not produce a list of exactly three items. Avoid "not only X but Y". We'll avoid enumerations.

We also cannot use "因为"? It's allowed. Use "because" instead of "due to the fact that". Actually we can use "因为". Use "to" instead of "in order to". Good.

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". So keep simple.

End with a concrete fact or plain natural invitation to view the full gallery via the link above. That is a plain invitation. Must not be generic positive like "欢迎欣赏". So we can end like: "点击上面的链接查看完整画廊". Probably okay.

We must not use emojis, curly quotes, markdown, bold.

Now produce Chinese paragraph 60-90 words. Let's aim ~75 words.

We need to embed key words: "成人视频", "日本av", "粉丝数", "作品数", "免费在线观看", "爱奇艺", maybe "凉水冲". Also include "花臂凉太" maybe as title but description can reference.

Check for prohibited words: "此外" is like "additionally"? Not listed. Avoid "于是"? Avoid "此外". Also "而且" not listed. Not listed. We'll avoid "此外". Not in list. That's prohibited. Avoid "因此"? Not listed. "与此同时" not listed. Also "而且" maybe okay? Also avoid "因而"? "此外" is explicitly prohibited. Avoid "因为" is allowed.
