About This Collection

We need to write a short enticing description 60-90 words, one coherent paragraph, based on scrambled site captions. Must not use "At its core". Use "because" instead of "due to the fact that". End with natural invitation to view full gallery via link above. That appears to be Dutch? Title is "harigekut". Key words: "harigekut", "Kinky", "slet", "likt", "neukt", "harige", "kut", "oudere", "vriendin", "vorige", "pagina", "лес", "пора", "ягодами", "ходулях", "покостыляю", "высоты", "лучше", "видн", "small-breasted", "flat-chested", "av-idol", "gallery", "072", "tan",

"guapas", "quién", "las", "pillara", "We", "hebben", "gevonden", "20", "voor", "zin", "negerlul". Must not use forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on concrete fact or plain natural invitation. No emojis, no curly quotes, no markdown, no bold. Must reuse at least 20% of key words from captions. Need at least 20% of these words. Must be 60-90 words. So include at least 6 key words. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). "harigekut" maybe Dutch for "hairy pussy"? Must not use em/en dashes. Answer in same language as title "harigekut". The title language: "harigekut" appears Dutch. Must not use forbidden words. Use them naturally. Translate rest as needed. Plain text only, no markdown, no lists, no quotes. Must not use "not only X but Y". There are many words; 20% of maybe 30 distinct words = 6 words. Use "to" instead of "in order to". The captions are mix of Dutch, Russian, Spanish, English. So write description in Dutch. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to produce a paragraph 60-90 words. Let's aim for ~75 words.

We must write in Dutch. Use Dutch sentences. Include key words like "harigekut", "Kinky", "slet", "likt", "neukt", "harige", "kut", "oudere", "vriendin", "vorige", "pagina", maybe "gallery". But must be Dutch. Could include English words as they appear. But better to incorporate some of them.

We need to end with invitation to view full gallery via the link above. Something like "Bekijk de volledige galerie via de link bovenaan." That's a plain invitation.

We must not use forbidden words: "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Avoid those.

No em/en dashes. Use commas.

No "not only X but Y". Avoid.

No "At its core". Avoid.

No forced groups of exactly three items. So avoid listing three items in a row.

Use "to" instead of "in order to". That is English. But we can just avoid "in order to". But we are writing Dutch, but the rule says use "to" instead of "in order to". Use "om te" maybe. But it's okay.

Use "because" instead of "due to the fact that". In Dutch "omdat" instead of "vanwege het feit dat". Avoid.

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Avoid.
