About This Collection

We need to produce a description in same language as the title: title is "阴茎 图片" which is Chinese. Must not use "not only X but Y". No markdown, no lists, no quotes. Use "because" instead of "due to the fact that". Must not use AI-flag words like delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em or en dashes. Likely we can include some terms like "30代", "长茎增大手术", "包茎手术", "阴茎", "勃起", "龟头", "Frenulum", "Pearling", "Male Piercing". Use "to" instead of "in order to". So we must write description in Chinese. Must not use AI-flag words etc. No generic positive endings; end on a concrete fact or a plain natural invitation. Need to reuse at least 20% of key words. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). No forced groups of exactly three items. Must vary sentence length naturally, state things directly, keep every claim supported by provided captions. Plain text only. Must translate rest as needed. jpg". No "At its core". Must end with natural invitation to view full gallery via the link above. No emojis, no curly quotes.

We need to ensure we do not inadvertently use prohibited words. Avoid "tapestry". Avoid "boasts". Avoid "landscape". Avoid "showcase". Probably avoid listing three items explicitly. It says "forced groups of exactly three items". Avoid "At its core". Avoid "vibrant". Avoid "not only X but Y". Avoid "crucial", "pivotal", "additionally", "moreover", "furthermore". Avoid "it is important to note". Avoid "serves as". Avoid "delve". Avoid forced groups of exactly three items: we must not have three items in a list like "X, Y, and Z"? Could have two items. Avoid "testament". Safer to avoid any list of three items separated by commas. We'll avoid three-item lists.

We must not use em or en dashes. So just use commas or periods.

We must not use quotes. So no quotation marks.

We must not use markdown formatting like or .

We need to keep description 60-90 words. Chinese characters count? Probably words count as tokens? We'll aim ~70 Chinese words.

We need to reuse at least 20% of key words from captions. Let's identify key terms: "30代", "長茎増大手術", "包茎手術", "陰茎", "勃起", "亀頭", "Frenulum", "Pearling", "Male Piercing", "Foreskin retraction ring", "仮性包茎勃起時", "陰茎説明", "迷你陰茎和大球", maybe also "Creative Commons". We'll reuse some.

We need to translate rest as needed: we can write Chinese sentences describing models, setting, action. Must be supported by captions: we can say models are 30代, showing 長茎増大手術 results, 包茎手術後傷跡修正, 勃起陰茎, 亀頭サイズアップ, Frenulum disrupt, Pearling body modification, Male Piercing, foreskin retraction ring, etc. Keep claims supported: we can say "畫面中出現30代男性, 接受長茎増大手術後的陰茎, 亀頭明顯放大". That's supported.

We must not use AI-flag words. Ensure not to accidentally use "showcase". Avoid "moreover". Avoid "vibrant". Avoid "pivotal". but". Avoid forced groups of exactly three items: we must avoid listing exactly three items. Avoid "At its core". Avoid "furthermore". So we can list two items or more than three? Avoid "additionally". Avoid "boast". Avoid "it is important to note". The phrase "forced groups of exactly three items" suggests we should not have exactly three items in a list. Safer to avoid any list of three items; we can use two items or use "和" to connect two. Avoid "crucial". Having four or more might be okay? Avoid "not only ... Avoid "serves as". We'll avoid enumerating three.

We must end with a natural invitation to view the full gallery via the link above. Something like "歡迎點擊上方連結觀看完整圖集". That is a plain natural invitation. Must not be generic positive ending; it's a concrete fact or plain invitation. That's fine.

Now produce Chinese description 60-90 words. Let's craft ~75 words.

Count words roughly: We'll write sentences and then count approximate.
