About This Collection

The mafioso has been locked away, but Chance still answers his summons. Arab Mafioso, bare and alien, brings a kinky edge to every frame, while 2B and de Pressia lurk in the shadows. In this Forsaken room, the Dream Game crossover turns raw and untamed, with Mafioso pressing Chance against the wall, both male and NSFW, in a scene ripped straight from Rule 34. com. The AI chat beckons, but here the passion is real, the bondage tight, the enemies-to-lovers tension crackling between dominant and submissive. View the full gallery via the link above.
