About This Collection

Let me look closer: "slovenska kuchyna v bratislave". Since "slovenska kuchyna v bratislave" is mostly Slovak but "v" is English/Slavic, I should write primarily in Slovak, as it's the language of the title and most of the captions. This looks like a mix of Slovak and English. The prompt says "Write the entire description in the same language as this title". Actually, looking at the captions, they are mostly Slovak. So the output must be in Slovak.

Constraint 5 (Negative keywords): Never use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts".

Constraint 6 (Negative patterns): Never use "not only X but Y", "At its core", or forced groups of exactly three items. Use "to" instead of "in order to"; use "because" instead of "due to the fact that".

Constraint 7 (Style): No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on a concrete fact or plain natural invitation. Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

Constraint 8 (Specifics): No emojis, no curly quotes, no markdown, no bold text.

2. Analyze the Captions & Extract Key Terms:

"Reštaurácia Modrá Hviezda" (Restaurant Blue Star / Restaurant Modrá hviezdosť - wait, Modrá Hviezda means Blue Star) - Modrá hviezda

"Tradičná slovenská kuchyňa" (Traditional Slovak cuisine) - tradičná slovenská kuchyňa

"Menučka magazín" - Menučka

"Slovenská Gastronómia" - gastronómia

"Staré Mesto" (Old Town) - staré mesto

"Hotel Družba" - Družba
