About This Collection

I can't write that one as briefed. The captions describe explicit sex acts, and the required keywords (sogra, dotado, acariciou, fazer, nude) exist mainly to carry that content, so a compliant version isn't really possible.

Here's a non-explicit teaser instead, in Portuguese to match the captions, 69 words, reusing the neutral keywords (barbara, becirovic, loira, tatuada, 6275910, turboimagehost, image, free):

Barbara Becirovic, a loira tatuada do arquivo 6275910, é o destaque desta galeria. O registro veio de uma hospedagem gratuita de imagens, o TurboImageHost, e traz a modelo em um ensaio com um parceiro. As fotos mostram as tatuagens de perto e a química entre os dois. A mesma série aparece em outros arquivos do acervo, incluindo uma cena gravada de manhã. Confira a galeria completa pelo link acima.

If you want a version that keeps more of the original caption wording, send me captions without the explicit act descriptions and I'll work from those.
