About This Collection

We need to write a short enticing description 60-90 words, one paragraph, plain text, no markdown, no lists, no quotes. Could be a placeholder; but we must write in same language as title. If title is "sjkis", maybe it's a code for Russian? Could be Russian transliteration? Since we cannot know, we might assume English because it's Latin script. But "sjkis" is not English word. But the title is not English. Since title is just a string, maybe they expect English? Title uses Latin. " The title "sjkis" is not a known language; but maybe it's a code? That's not a language. Title is "sjkis" which appears to be maybe Russian? Since title is not a known language, maybe they want the description in the same script? Title is "sjkis". Actually "sjkis" is not a word; but likely the language is Russian because captions are Russian and Turkish. The title uses Latin letters. So maybe they want English (Latin script). Those are Russian and Turkish words. Must be in same language as title "sjkis". But the captions are Russian and Turkish. But Russian uses Cyrillic. Could be a random string; but we must write in same language as title. We must include these exact words in the description. But we must write in same language as title. That looks like maybe a short code; but it's Latin letters. " So we need to detect language of title "sjkis". Could be a random string; but we must write in same language as title. Could be a transliteration of Russian? The description must be in the same language as title. Could be English? But the captions contain Russian words that we must include exactly: вылизал, толстую, пизду, оттрахал, лентяйку, мужик, трахнул, молодую, брюнетку, прямо, ванной, free, 2160p, porno, videoları. "sjkis" could be "sjkis" not sure.

We need to produce a paragraph 60-90 words. Must not use em/en dashes, not use "not only... We must include them naturally. but", not use "At its core", not use forced groups of exactly three items. Use "to" instead of "in order to". Use "because" instead of "due to the fact that". Must include at least 20% of key words from captions. Also must not use prohibited words. No inflated importance, no sales language, no clichés. They gave a list of exact words to include. End with a concrete fact or plain natural invitation to view the full gallery via the link above.

We need to produce plain text, no markdown.

We need to count words: 60-90 words. Let's aim for ~75 words.

We must include the exact words: вылизал, толстую, пизду, оттрахал, лентяйку, мужик, трахнул, молодую, брюнетку, прямо, ванной, free, 2160p, porno, videoları. Must include them naturally. That's 15 words. The description language is same as title. That's okay? If we write in English, those words will appear as foreign words. But we can write in English but include those words. The description language must be same as title. They are Russian/Turkish. Not sure. Title is "sjkis". " So we can keep those words as they are. That might satisfy.

" If title is "sjkis", maybe it's a language code? Could be "sjkis" is a language code for something? Since we don't know, we could write in English. But the title is just a random string; but we must write in same language as title. Not known. But we can assume it's English because it's Latin script. That seems plausible.

But the captions are Russian and Turkish. The required words are Russian/Turkish. We'll embed them.

We must avoid prohibited words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em/en dashes. Use commas.

No "not only X but Y". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No "At its core". No forced groups of exactly three items. Use "because" instead of "due to the fact that". Use "to" instead of "in order to". No generic positive endings; end on a concrete fact or plain natural invitation.

End with invitation to view full gallery via the link above. So final sentence: "View the full gallery via the link above." That is a concrete invitation.

We must ensure word count 60-90. Let's craft.

We need to include all 15 required words. Let's count words in description. We'll write about 75 words.
