About This Collection

Dive into mcjuniorgohan's animated universe where the kunoichi of Konoha unleash their wildest desires. Watch Ino turn a simple babysitting gig into something far naughtier, Hinata realizing she's not on birth control at the worst possible moment, and Sakura facing off against Boruto in battles that end very differently than expected. Tsunade, Temari, Samui, Sarada and even Android 21 join the chaos with steamy 69 positions and intense deepthroat scenes, all brought to life in fluid animation straight from the Naruto world.
