About This Collection

A Turkish mistress holds court in a dimly lit chamber, her command firm as she enforces scat discipline on willing slaves. Diana Spark watches from the shadows, ready to join the dirty play that builds throughout the session. The action spills into a wifey scenario where a hubby kneels to clean up his own mess, while another slave endures the smother in my shit treatment. Mistress Christina takes center stage, torturing a scat fetish devotee who begs for every humiliating order. Every scene streams in HD on the largest scat collection around, so follow the link above and watch the full gallery now.
