About This Collection

This gallery collects a wide range of Genshin Impact doujin and 3D fan works, blending the cool tones of coffee-colored illustrations with bold h-hentai fashion styles. You will find Hu Tao rendered in grapefruit model detail, plus parody scenes from the Academia and other settings. The collection includes saluky opening door moments, tight gdr poses, and MMD videos featuring Aether with Eula and other characters. Pages run from 3 to 11, with image sets numbered 610 and 821, all tied together by AKT studio contributions. Browse the full gallery above to explore every angle.
