About This Collection

Step back to a year when awkwardness and allure collided on film and in the schoolyard. Our gallery revisits Social Puberty through a lens both clinical and nostalgic, touching on the Copenhagen Puberty Study, the Science Class and Puberty Club, and even the Garbage Pail Kids. Think of Sexuele voorlichting, the 1991 sexual education classic, and the raw teen energy of Edward Furlong on the Terminator 2 set, where he became "Furshort" to Cameron. Bodies are mapped in the fine details—nose, eye, arm, hip, hand, knee, foot—while Jeannie Ewing's memory and the spirit of Puberty Blues set the tone. It's a grown-up look at growing up, a blush of back-to-school anatomy and star-crossed change. Click the link above to see the full gallery.
