About This Collection

The flat lay laptop gallery captures a minimalist boho home setting on a pastel beige table. The composition follows the style of maximleshkovich’s stock photography, offering a quiet, functional atmosphere. A sleek laptop shares space with a steaming coffee cup, a lined diary, fresh notebook pages, and a small plant edged with eucalyptus. Golden accessories and marble accents add subtle texture while a soft focus highlights the clean workspace. The full gallery is ready for viewing at the link above.
