About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must be in same language as title: title is Arabic "طلع مبيعرفش". Need to translate the rest as needed. Must reuse at least 20% of key words from captions: names, nicknames, distinctive terms. So description must be Arabic.

We must not use disallowed words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No "not only X but Y". No "At its core". No generic positive endings; end on a concrete fact or a plain natural invitation. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". No forced groups of exactly three items. No emojis, no curly quotes, no markdown, no bold text. Also no em or en dashes; we can use commas. Use "to" instead of "in order to". Plain text only.

We need to vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

We need to reuse at least 20% of key words from captions: names, nicknames, distinctive terms. ". Many repeated.

We need to include at least 20% of key words. So we need to reuse at least about 6 key words from captions. Ensure we reuse them exactly as they appear (case-insensitive). If we have many words, 20% of maybe 30 words is 6 words. We'll include some like "طيزي كبيره", "بزازها الملبن", "الشرموطه الهايجه", "يا خرابي", "hanan", "عراقيه". Use them in Arabic.

We must not use disallowed words. Avoid generic positive endings; end on a concrete fact or a plain natural invitation. Avoid "additionally". Avoid "furthermore". Avoid "boasts". Also avoid "moreover". Use "because". Avoid "crucial". Avoid "moreover". Avoid "At its core". Avoid "serves as". Avoid forced groups of exactly three items (so don't list three items in a row). Use "to" not "in order to". Avoid "it is important to note". Avoid "pivotal". Avoid "not only X but Y". Avoid "delve" etc. Avoid "furthermore". " That is a plain invitation.

Now need 60-90 words. Let's craft about 70 words.

We need to avoid using em or en dashes; just commas and periods.

We need to avoid using quotes? It says no quotes; presumably no quotation marks. We'll avoid.

We need to avoid using curly quotes; plain text.

Now produce description in Arabic, using some key words.

Let's draft:
