About This Collection

We need to write a short enticing description 60-90 words, one coherent paragraph, plain text, no markdown, no lists, no quotes. Must include exact words: фурри, зверополис, порно, комикс, dress, publish, комиксы, молодые, furry, porn, comics, русском, hardblush, page, lizardlarsdoberbrothers. We must write in English. But we need to include them naturally. Since description is English, we can embed Russian words as they appear. Must include those exact words (some are Russian). Must be in same language as title: title is "gay furry comics" (English). But captions are mixed Russian/English. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). So description must be in English. That's okay.

We must avoid AI-flag words list. No "not only... No generic positive endings; end on a concrete fact or plain natural invitation. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". Avoid em/en dashes. Use commas. No emojis, no curly quotes, no markdown, no bold. Use "to" instead of "in order to". No forced groups of three. but". Vary sentence length naturally.

We need 60-90 words. Let's aim ~75 words.

We must include at least 20% of key words from captions. That's 15 words. We'll include many of the required exact words: фурри, зверополис, порно, комикс, dress, publish, комиксы, молодые, furry, porn, comics, русском, hardblush, page, lizardlarsdoberbrothers. There are many key words. Must include them naturally.

We need to write a paragraph describing the gallery: gay furry comics, includes Zootopia (зверополис) porn comics, young characters, hardblush series, page 4 lizardlarsdoberbrothers, etc.

We must end with invitation to view full gallery via link above. So end with something like "Check the link above for the full gallery."

We must not use "Check the link above for the full gallery." That's okay.

We must avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid those.

We must not use em/en dashes. Use commas.

We must not use "not only X but Y". Avoid.

We must not use "At its core". Avoid.

We must not use forced groups of exactly three items. So avoid listing three items in a row.
