About This Collection

Skinny Girl LuluBlair brings her brunette allure to a kitchen island with two stools, then teases viewers with xxx styling, a Lorraine appearance, and a tempting mix of sexy toys, inflatable challenges, and new Bad Dragon dildo play. The action grows into explicit food stuffing, hardcore penetration, fisting, and speculum examination, with close views of her creamy cervix and loose hole. Explore Lulu Blair's OnlyFans gallery and view the full scenes via the link above.
