About This Collection

Alan Becker r34 brings the stick figures out of the animation and into explicit frames. Yellow x blue share a charged scene, while TCO and the victim push AvA/AvM tension into 2boys action. These are stills from a larger rule34 collection, built on the if it exists premise. The set also pulls animation vs minecraft into animated anal sex setups, with familiar color-coded models and book art details left in the background. View the full gallery via the link above.
