About This Collection

grch-1943 opens with wartime archive material and bundesarchiv plates. The leapfroggroup archive records actions from artillery operations alongside Дни воинской славы и памятные даты России. Mizumi Saki appears in the JAV scene Black Prince, bound with rope and handcuffs and confined to a cage or room. A favorite border map marks the setting, and military personnel are preparing for a breakthrough. View the full gallery via the link above.
