About This Collection

Ren Hana returns with his fox ears, fluffy tail, and clawed fingers, a kemono fox humanoid who shifts from playful moments to rough sex fast. The set follows him through reverse cowgirl, hair pulling from behind, and a submissive female partner who gives in to his fangs and grip. One scene carries blood on skin and cheek markings. Kinko Art and self insert pieces round out the Boyfriend To Death collection. See every frame in the full gallery through the link above.
