About This Collection

Selena701 is a blonde mature wife who films herself at home, and this set follows her from the bathroom, where she poses naked, to the bed, where the sex games start. Big boobs, a slow blowjob, pussy licking, feet play, doggy style and missionary fill the amateur 4K clips. She comes back from a walk and settles in, first in white, later in red, with the evening light keeping everything warm. Click the link above to see the full gallery.
