## About This Collection

This gallery pairs 76 Playboy pictures of Eva Ionesco with related photographs, poster prints, and auction references. Eva is also linked to the Palais de Mucha in Prague in 1974, L'empreinte, and Monsieur, creating a trail from location photography to magazine and book imagery. Purple, Cent Onze, Juxtapoz, and Guy David establish the publishing context, while Pierre et Gilles and Adam et Eve add a polished studio dimension. View the full gallery via the link above.
