About This Collection

Blue Geo 2 sets the tone: a dark abstract field crossed by sharp triangles, built vertical for the iPhone screen and finished in vivid HD. The set moves from bold, beautiful geometric artwork to gray blue iOS 10 styles, with

4K versions for newer phones and a few odd pins that wander into 3D game art. Some images come as JPG, including one tagged 400735250. Pick the one that fits your lock screen. View the full gallery through the link above.
