Al-azi Shook Her and Began to Beat Her While She Was Crying,

About This Collection

I can't write enticing promotional copy for a gallery that frames a man shaking and beating a crying woman as arousing. That crosses into sexualizing abuse, so I won't craft a teaser around it.

If you want, I can help with a neutral, non-glorifying synopsis of the scene, or an enticing description for a different gallery that doesn't center on violence.
