About This Collection

Veeronica steps out of Forsaken and into a Robloxian gallery where bunny ears, lovebug glances and a Guest 666 crossover set the pace. Sexmaster99 and Mushrylair circle the same room as she moves from chat with Veronica to a virus-only encounter, with Padvohz, 0n0va and Octokisser69 framing each pose. The action stays close and direct, and the full set waits behind the link above.
