About This Collection

Step into a moody, glowing gallery where Cordelius steps out of the mask and into the light. Doug, Stone Troll Lou, and tiny versions join the scene, from original renders to hand-drawn tributes. Freshly unlocked and ready for action, this Brawl Stars star trades grinding for mushrooms and lightning strikes, with tips, best builds, and 3D STL models capturing every angle. The gallery is loaded with guides and fan art—come see Cordelius like never before through the link above.
