About This Collection

We need to produce a short enticing description (60-90 words) in Arabic (since gallery title is Arabic "زوج متحرر"). Use "to" instead of "in order to". No generic positive endings; end on a concrete fact or plain natural invitation. Must incorporate at least 20% of key words from captions, and must include exact words: frsan, عراقي, sarah, this, contain, people, walking, through, open, field, with, purple, dcharger711, تبادل ,للتحرر. Use "because" instead of "due to the fact that". No forced groups of three. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No AI-flag words list. Must be one coherent paragraph, plain text, no markdown, no lists, no quotes. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). No emojis, no curly quotes, no markdown, no bold. No em/en dashes. No "not only X but Y". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We must include the exact words list: frsan, عراقي, sarah, this, contain, people, walking, through, open, field, with, purple, dcharger711, تبادل ,للتحرر. These words must appear exactly as given (case-sensitive? They are mixed Arabic and English. Probably as given). Must include them naturally.

We need to produce 60-90 words. Let's count approximate words. We'll aim for ~75 words.

We need to write in Arabic. But the required words include English words like "frsan", "sarah", "this", "contain", "people", "walking", "through", "open", "field", "with", "purple", "dcharger711". Also Arabic words: "عراقي", "للتحرر", "تبادل". Must include them exactly. So the paragraph will be a mix of Arabic and English words. That's okay.

We must ensure we don't use prohibited words. Avoid "At its core". Avoid em/en dashes. Avoid "delve", "tapestry", etc. Avoid "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". but". No sales language. Use "because" instead of "due to the fact that". No inflated importance. Avoid forced groups of three. Avoid "not only ... Use "to" instead of "in order to". No clichés. Use commas. End with concrete fact or plain natural invitation like "view the full gallery via the link above". Must end with that invitation.

We must not use markdown. Plain text.

We need to ensure at least 20% of key words from captions are reused. So many words. ", "Swinger", "Hot", "Couple", "(@Swingerhotcoupl)", "Posts", "X", "الكام", "موديل", "ملف", "زوجها", "عن", "انفصالها", "تنفي", "أصالة", "Egyptianstories", "hi", "(@Rebwar19961)", "Posts", "X". But we will include many of the required words plus some others like "متحررين", "زوجين", "Swinger", "Hot", "Couple", "Alina", "Angel", "Barbienjd", "defender", etc. We need to reuse at least 20% of key words. That's ambiguous. But we must be careful not to exceed word count.

We must produce a single paragraph. Let's craft.

We need to include the exact words: frsan, عراقي, sarah, this, contain, people, walking, through, open, field, with, purple, dcharger711, تبادل, للتحرر. "through" lower case. Ensure they appear exactly as given (case-sensitive). "open" lower case. "عراقي" Arabic. "with" lower case. "this" lower case. "للتحرر" Arabic. "dcharger711" lower case. The words "frsan" and "sarah" are lower case. "purple" lower case. "contain" lower case. "field" lower case. "people" lower case. "walking" lower case. "تبادل" Arabic.

We must embed them naturally. For Arabic paragraph, we can embed English words inside Arabic text. That's okay.

We need 60-90 words. We'll count each token separated by spaces. Let's count approximate words. Let's aim for ~75 words.

We need to ensure we don't use prohibited words. Avoid "it is important to note". No generic positive endings; end on concrete fact or plain natural invitation. Avoid "vibrant". Avoid "serves as". Avoid forced groups of three. Avoid em/en dashes. Avoid "landscape". Avoid "boasts". Avoid "additionally". Avoid "moreover". No inflated importance. Use "to" instead of "in order to". No sales language. Avoid "pivotal". Avoid "delve", "tapestry", etc. Avoid "crucial". Avoid "furthermore". Use commas. No emojis. Use "because" instead of "due to the fact that". Avoid "not only ... Avoid "testament". No clichés like "nestled", "breathtaking", "unforgettable". but". No markdown. Avoid "showcase". Avoid "At its core". No curly quotes. No bold.
