About This Collection

We need to write a short enticing description (60-90 words) for adult photo gallery based on scrambled site captions. Must not use em/en dashes, not use "not only X but Y", "At its core", forced groups of exactly three items. Must naturally reuse at least 20% of key words from captions, translating rest as needed. No emojis, no curly quotes, no markdown, no bold. No generic positive endings; end on a concrete fact or plain natural invitation. So description must be in Chinese. Also must include these exact words where natural: deepthroat, deepthroattraining, facefucking, fuckface, gagging, gaggi, guarda, gratis, quot, blind, date, turns, into, cuckold, session. Must not use AI-flag words list. Must be in same language as title: "圆脸馨儿" which is Chinese. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Those are English words; we need to include them exactly as given, presumably within Chinese text. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "to" instead of "in order to"; "because" instead of "due to the fact that". Plain text only.

We need 60-90 words. Must include them naturally. So we need to reuse at least 20% of key words. Let's count unique key words from captions: maybe 30-40. 20% would be ~6-8 words. But also include the required English words. But we can aim for ~70 Chinese characters? We'll include English words as required. Usually words count in English. Must ensure at least 20% of key words from captions are reused. That is ambiguous. But we are writing Chinese, but they count words maybe separated by spaces. ting", "video by Arab-mimi cam model adsbytrafficjunkycontext", "张雪馨 国模 大尺度 私拍 现场", "na hotties having fun with a serf", "MMullinsdy's tweet video", "4K", "圆圆的", "59K", "Порно видео с тегом Минет". But we can include several Chinese key words like "圆脸馨儿", "口交", "深喉", "捆绑", "自拍", "少妇", "白浆", "VIP". We'll include maybe 10 Chinese key words. Also reuse at least 20% of key words from captions. Must include the required exact words: deepthroat, deepthroattraining, facefucking, fuckface, gagging, gaggi, guarda, gratis, quot, blind, date, turns, into, cuckold, session. So key words: "圆脸馨儿", "馨颖", "捆绑", "口交", "深喉", "facefucking"? Also "Guarda gratis", "Blind Date Turns Into Cuckold Session". Actually "Deepthroat", "DeepthroatTraining", "FaceFucking", "fuckface", "Gagging", "gaggi". That's 15 words. Chinese words count? Probably we need to include a decent number of distinct words from captions. We'll produce a paragraph with maybe ~80 words (including English words). But they ask words. Probably count English words. That should satisfy.

We must not use any AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid those.

No em/en dashes. Use commas.

No "not only X but Y". No forced groups of exactly three items. No "At its core". So avoid three-item lists.

Use "to" instead of "in order to". Use "because" instead of "due to the fact that". But we are writing Chinese; but we can include English "to" and "because" if needed. But it's okay.

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". So keep plain.

No generic positive endings; end on a concrete fact or plain natural invitation. So end with something like "view the full gallery via the link above". That is a concrete invitation.

No emojis, no curly quotes, no markdown, no bold.

We must vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to produce a single paragraph (one paragraph). Let's count approximate words. Since we will mix Chinese and English words, each token separated by spaces counts as a word. 60-90 words. We need 60-90 words. Let's aim for ~75 words.

We need to include required English words exactly: deepthroat, deepthroattraining, facefucking, fuckface, gagging, gaggi, guarda, gratis, quot, blind, date, turns, into, cuckold, session. In the list: deepthroat, deepthroattraining, facefucking, fuckface, gagging, gaggi, guarda, gratis, quot, blind, date, turns, into, cuckold, session. They must appear exactly as given (case-sensitive? Provided lower case except "DeepthroatTraining"? That's 15 words. Actually they gave "deepthroattraining" all lower case? All lower case. So we must include those exact lower case words. Good.
