About This Collection

Enter Feretta Comics and follow A Tale of Tails through its many numbered episodes, from 1-11 and 1-12 to the busier 4, 5, 6, 7, and 8 sequences. The pages promise a playful series of encounters and comic detours. The tail-focused comic action arrives in quick bursts, including Whap whap whap, while A Tale of Tails, 6-18 carries the dry note Not quite according to plan.
