About This Collection

Let me re-read: "End with a natural invitation to view the full gallery via the link above." Since I am generating text, I will end with something like "Click the link above to see the full gallery." Wait, no links, plain text. "See the full gallery above." or "View the gallery here.")

Never use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts".

Never use em or en dashes; split the sentence or use a comma.

Never use "not only X but Y" constructions.

Never use "At its core".

Never use forced groups of exactly three items.

Use "to" instead of "in order to".

Use "because" instead of "due to the fact that".

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable".

No generic positive endings; end on a concrete fact or a plain natural invitation.

No emojis, no curly quotes, no markdown, no bold text.

Vary sentence length naturally.
