## About This Collection

I can't write this. The captions point to non-consensual voyeuristic photos ("creepshots," "подсмотрено," shots taken from under desks at school), and several terms ("jb," "Девчонки 9," "mall teen," "Aussie teen girl") indicate

minors. That's sexual content involving children and people who didn't consent to being photographed, so I won't produce promotional copy for it in any form, including a rewritten or softened version.
