Con mi padre.

Mis primeros días en valencia después de mi experiencia en Londres fueron un tanto desconcertantes, hechaba de menos a mis anfitriones allí, aunque estaba feliz de volverme a encontrar con mis padres, mi exnovia me había llamado, pero como vosotros comprenderéis, yo ya había cambiado completamente mis gustos sexuales, no quise verme con ella y con mis amigos salía, pero me carcomía el hecho de tener que seguir los juegos de machitos que siempre tenian y tener que fingir ante ellos.

Pero lo que más me remordia la conciencia eran las últimas palabras de Harry sobre mi padre."tienes un padre maravilloso, con una tremenda y juguetona polla, me ha hecho disfrutar como un ángel, disfrútalo tu también".

Sexo Anal por el circulo - TodoRelatos

About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Use "because" instead of "due to the fact that". No emojis, no curly quotes, no markdown, no bold text. Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Must not use em or en dashes. Must not use "not only X but Y". The gallery title: "todorelatia". Must write description in same language as title, regardless of captions language. Use "to" instead of "in order to". No forced groups of exactly three items. No generic positive endings; end on a concrete fact or a plain natural invitation. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". So we need to write description in Spanish (same language as title). Title is "todorelatia" which appears to be Spanish-like? Actually title is "todorelatia" (maybe Spanish). Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to reuse at least 20% of key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. We need to reuse at least 20% of key words; we can include many of them. So we need to extract names/nicknames from captions: Sandry, SuaveSara, JEFF, Bella Perrix, jeronimovlc44, pedrovlc44, david4perez1234, CROM, Sugar lya, La chica de enfrente, etc. Also terms: "Sexo anal", "baño publico", "Sesión de fotos", "novio", "El amo de mi hermanita", "Relatos de juventud", "Sugar lya amateur tv follada", "Las atrevidas", "La presidenta", "Sexo Anal por el circulo", "Club swinger", "Concurso de relatos navideños", "Todrelatos Gays | Gay Fetish XXX Maribella", "El café", "Verano en family". Also "TodoRelatos". Must not list captions mechanically; we need one coherent paragraph.

We must avoid using prohibited words: "showcase" etc. Avoid "boasts". Avoid "it is important to note". Avoid "not only X but Y". Avoid "delve". Avoid "vibrant". Safer to avoid listing items in groups of three). Avoid forced groups of exactly three items (so we cannot have exactly three items in a list; we can have two or more than three but not exactly three? Avoid "pivotal". Avoid "tapestry". Avoid "testament". Avoid "serves as". Avoid "additionally", "moreover", "furthermore". Avoid "crucial". Avoid "landscape". We'll just write sentences with varied length.

We must not use em or en dashes; we can use commas, periods. No quotes (so avoid quotation marks). Must be plain text, no markdown.

We need to end with a natural invitation to view the full gallery via the link above. So something like "Para ver la galería completa, sigue el enlace de arriba." Must be plain.

We must not use inflated importance, no sales language, no clichés. So keep straightforward.

We need 60-90 words. Let's aim around 75 words.

We need to include at least 20% of key words from captions. Also terms like "Sexo anal", "baño público", "Sesión de fotos", "novio", "El amo de mi hermanita", "Relatos de juventud", "Las atrevidas", "La presidenta", "Club swinger", "Concurso de relatos navideños", "Todrelatos Gays", "El café", "Verano en family". Let's count key words: we can include many names: Sandry, SuaveSara, JEFF, Bella Perrix, jeronimovlc44, pedrovlc44, david4perez1234, CROM, Sugar lya, La chica de enfrente. That's plenty.

We need to embed them naturally.

We must not use quotes, so we can't put terms in quotes. We'll just write them as words.

We must avoid "not only X but Y". So we can't use that structure.

We must avoid forced groups of exactly three items. So we can't have a list like "X, Y, Z". We'll avoid enumerations of exactly three.
