About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Possibly treat it as English? "caardofanz" looks like a nonsense word but language is ambiguous. Title is "caardofanz". Title is presumably English? Usually they'd expect English. Since title contains only letters, no language clue. Write description in same language as title, regardless of captions language. " Title is "caardofanz". It is not obviously a language. We'll write in English.

We must reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. So we need to include some of the names: Tif, dallasmilkman, Jr, 17kJr, zodnwy, jaylin, cardo, Christian, ChrisOwOsup, Alexa Flaxi, jaylInn, NATHAN, Shivthakare, Monroeefantasys,

FreakztaT, Yeezy00215385, etc. At least 20% of key words: need to count key words? We'll include maybe 5-6 names.

We cannot use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No "not only X but Y". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No "At its core". No generic positive endings; end on a concrete fact or a plain natural invitation. Use "to" instead of "in order to". Use "because" instead of "due to the fact that". No emojis, no curly quotes, no markdown, no bold text. No forced groups of exactly three items. Also cannot use em or en dashes. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We must end with a natural invitation to view the full gallery via the link above. So something like "Click the link above to see the full set." Must be plain text.

We need 60-90 words.

Let's craft about 70 words.

We need to ensure we don't use prohibited words.

Check each sentence.

We must not use em dash — or en dash –. Use hyphen? Probably okay, but safer to avoid dash. Hyphen is allowed? Use commas.

We must not use "and" in groups of exactly three items? Safer to avoid listing three items with commas like "A, B, and C". Actually "forced groups of exactly three items" meaning we should not have exactly three items in a list? We can avoid that.

We must not use "not only X but Y". Avoid.

We must not use "At its core". Avoid.
