About This Collection

Polina Gagarina appears in a semi-transparent dress, her deep neckline and butt highlighted in a vulgar image that captures the attention of Janice Occhi. Viewers get a mix of classic and candid shots, each framed to emphasize texture and pose. Natalya Orloff joins the scene, presenting hot legs and first-time exposures that feel like a private plum naked slip. The collection includes a Maxim style spread, vintage journal framing, and a shooting taken in China where a cuckoo motif appears. Explore the full gallery above to see the complete set.
