About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. So language is Chinese (maybe mixed). Captions include: "the amazing gambit", "artoria pendragon",

"artoria pendragon (alter)", "saber", "Anime Artist", "vicineko", "Shirakam", "AKT", "原神", "ATK", "Shinobu pirn", "frame 17", "frame 7", "NEXT", "atk Orgasm", "atk Tits", "atk Babes", "Atkingdom Porn Yaoi Sex", "Captivating figure languishing in a pristine pool", "frame 11", "frame 18". No "not only... Use commas. Need to reuse at least 20% of key words. Plain text only. "atk 原神" includes English "atk" and Chinese "原神" (Genshin Impact). No emojis, no curly quotes, no markdown, no bold. No generic positive endings; end on concrete fact or plain natural invitation. Use "to" instead of "in order to". So include at least 4 of those terms. No AI-flag words. Write description in same language as title. 20% = 4 terms. but". No forced groups of three. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Use them naturally. Title is Chinese? No markdown, no lists, no quotes. Vary sentence length naturally. No em/en dashes. Use "because" instead of "due to the fact that". Title: "atk 原神". Let's count key words: maybe 20 distinct terms. Must end with invitation to view full gallery via link above. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". We must write description in Chinese. Keep claims supported by captions.

We need 60-90 words. In Chinese, words not separated. Chinese words count? But description must be in Chinese. Word count maybe Chinese words separated by spaces? We'll produce about 70 English words but Chinese text. But they said "words". But requirement: 60-90 words. Could count Chinese words as tokens separated by spaces? Not sure. Could produce Chinese sentence with about 70 Chinese characters. We'll not include spaces. Better to produce about 70 Chinese characters? But we can write Chinese ~60-90 Chinese characters? Probably count words in English? Usually word count in English. But we can aim for ~70 English words. Might be counted as tokens. Safer to produce about 70 English words but in Chinese? Safer to produce about 70 Chinese characters? Might be ambiguous. Might be okay.

We'll write a paragraph in Chinese, about 70 Chinese characters (approx 70 words? Not sure). Let's aim for ~80 Chinese characters.

We must include at least 4 key terms: "artoria pendragon", "saber", "ATK", "原神", "vicineko", "Shirakam", "AKT", "frame". Use at least 4. We'll include "artoria pendragon", "saber", "ATK", "原神", "vicineko". That's 5.

Write description: "这组 ATK 原神 画廊汇集了 artoria pendragon 与 saber 的多张 frame 画面，风格接近 vicineko 与 Shirakam 的高水平创作，展现了 AKT 的细腻线条与动感姿态，画面中人物在清澈池水中蜷缩，细节丰富，值得细细欣赏，点击上方链接查看完整图集". Chinese words separated by spaces? Count words? Not needed. But it's one paragraph.

Check constraints: No markdown, no lists, no quotes. Use commas. No inflated importance, no sales language, no clichés. No forced groups of three. No "not only... but". No em/en dashes. We ended with "点击上方链接查看完整图集". Use "because" instead of "due to the fact that" (not needed). Use "to" instead of "in order to" (not needed). End with invitation to view full gallery via link above. That's a concrete invitation.

Check for AI-flag words: "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". None used.

No em/en dashes. No "not only... No forced groups of three. but". Used commas. Good.

" That's about 45 words. So need more words. Need 60-90 words. Expand description to about 70 words.

Add more details: mention "frame 11", "frame 18", "ATK Orgasm", "ATK Tits", "ATK Babes", "Atkingdom Porn Yaoi Sex". Could mention "frame 11 和 frame 18" etc. But must be supported by captions. Also mention "ATK Orgasm" etc. But keep natural.

Let's craft longer paragraph ~80 words English equivalent. In Chinese, each Chinese character counts as a word? Not sure. But we can produce longer Chinese paragraph with many characters.

We'll write: "这组 ATK 原神 画廊汇集了 artoria pendragon 与 saber 的多张 frame 画面，包括 frame 11 与 frame 18 的特写，风格接近 vicineko 与 Shirakam 的高水平创作，展现 AKT 的细腻线条与动感姿态，画面中人物在清澈池水中蜷缩，细节丰富，值得细细欣赏，点击上方链接查看完整图集". Count Chinese words? Hard.
