About This Collection

Step into the chaos of Ganyu's unforgettable night, where a simple encounter with the Fatui spirals into a wild spouse and house swap that blurs every line. Every page drips with tension, curiosity, and raw desire. Captured by rikihanamomo and robomikan, this NSFW anime art collection shows the gentle adeptus pushed into bold situations, from tempting bunny poses to steamy back views with Tartaglia, horns and all. Don’t miss a single frame of this unforgettable night—explore the full gallery above and see how far Ganyu goes.
