About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Title: "隣 の 団地 妻". Must be in same language as title: Japanese. So description in Japanese.

We must reuse at least 20% of key words from captions, including the exact words listed: "となりの団地妻, stone, 同人誌のとらのあな女子部成年向け通販, 楽天ブックス, 好色団地妻, 2016年, 05月号, 大洋図書, 4910182760561, amazon, 隣の団地妻, 黒木麻衣を観る, prime, video, 隣の団地妻とsexしましょう完結編."

We need to include these exact words where natural. Must be at least 20% of key words; we have many required words. We'll include many of them.

Constraints: No markdown, no lists, no quotes. Also avoid emojis, curly quotes, markdown, bold. No em/en dashes. Plain text only. No generic positive endings; end on a concrete fact or plain natural invitation. Avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No "not only X but Y", "At its core", forced groups of exactly three items. Use "to" instead of "in order to"; but in Japanese we use appropriate. Use commas or split sentences. End with invitation to view full gallery via link above.

We must write 60-90 words in Japanese. Japanese words count differently. But we can aim for ~70 Japanese "words" (maybe tokens). Count words? We'll produce a paragraph.

We need to incorporate required exact words: "となりの団地妻", "stone", "同人誌のとらのあな女子部成年向け通販", "楽天ブックス", "好色団地妻", "2016年", "05月号", "大洋図書", "4910182760561", "amazon", "隣の団地妻", "黒木麻衣を観る", "prime", "video", "隣の団地妻とsexしましょう完結編". Must embed them naturally. That's many words. Probably we can embed many in one sentence.

But must keep description 60-90 words. But we can produce maybe ~80 Japanese characters? Hard. In Japanese, each token counts as a word? Actually they ask for words; but we can approximate.

We must not use any prohibited words. Ensure not using "delve" etc. Not using them.

We need to end with invitation to view full gallery via link above. Something like "詳細は上部のリンクからご覧ください。" That's a concrete invitation.

We must not use em/en dashes. Use commas.

We must not use "not only X but Y" etc.

We must not use forced groups of exactly three items. Avoid listing three items in a row.
