Dancing with internet friends - The Tribune

About This Collection

Two girls pick up a banana and turn a phone call into a comedy routine, and the screenshots catch every face they pull. The footage stays loose, silly, and full of the kind of moments you replay twice. The Omegle video chat keeps rolling while they dance with internet friends, swap meme lines, and riff on youtuber clips. Everyone here is 18 or older, and nobody checks beyond a self report. View the full gallery through the link above.
