Releasing The Tentacle Kraken on Monster Musume

About This Collection

In Elasid’s Release the Kraken animation, a tentacle Kraken meets a Monster Musume guide in a jungle adventure framed from a charged POV. When poison threatens her life, she takes a daring approach to draw it out, turning the encounter into something wild and intimate. Rachnera’s rough wrangling and the unlocked wild life commission add further fantasy tension to the collection. View the full gallery via the link above.
