About This Collection

Imaizumin-chi wa douyara gal no tamariba ni natteru rashii. The house fills with full color energy as these girls turn ordinary days into something far more exciting. Between handjob sessions and femdom moments, the atmosphere stays playful yet intense. A blowjob scene here, an ffm threesome there, and the whole place buzzes with group gyaru charm. Chi chi pocket hentai vibes mix with the chaos, keeping things light but heated. More chapters and extras show just how deep this tamariba really goes. Imaizumin's home has somehow become the gathering spot for gyarus like Kurumizaka Ruri, Hamazaki Reina, and Hamazaki Risa. See the full gallery through the link above.
