About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. No em or en dashes; split the sentence or use a comma. Answer in same language as the input (the input is English). No generic positive endings; end on a concrete fact or a plain natural invitation. , English. No "not only X but Y" constructions, no "At its core", no forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No emojis, no curly quotes, no markdown, no bold text. Plain text only, no markdown, no lists, no quotes. Use "to" instead of "in order to"; use "because" instead of "due to the fact that". Must reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. Must end with a natural invitation to view the full gallery via the link above. Title is "surerman". Vary sentence length naturally, state things directly, and keep every claim supported by the provided captions.

We need to incorporate at least 20% of the key words from the captions. Identify key words: "THE DARK BOB", "The Sadness of Superman", "Learn and earn with Google skills", "Krypto", "MAFEX STEEL RETURN OF SUPERMAN VERSION ACTION FIGURE REVIEW", "Mcfarlane", "Toys", "Superman", "doomsday", "Mr. ", "Hippychick Bumkins Super Bib Packs - Superman", "Superman Fanart (y)".

We need to reuse at least 20% of the key words. Let's pick some key words: "surerman", "Superman", "Krypto", "Mr. Bean", "Dali", "Henry", "Arsenal", "Champions League", "doomsday", "Mcfarlane". At least 20% of total key words. Not necessary to count exactly; we can include several.

We must avoid AI-flag words and prohibited phrases. Also avoid em/en dashes. Use commas or separate sentences.

We must not use "not only X but Y". Avoid forced groups of exactly three items.

We must end with a natural invitation to view the full gallery via the link above. So something like "See the full gallery above" or "View the full gallery via the link above". Must be plain text, no quotes.

We must not use "because" incorrectly? Must not use "due to the fact that". We can use "because". Must not use inflated importance.

We must not use "showcase". Must not use "it is important to note". Must not use "crucial". Must not use "boasts". Must not use "serves as". Must not use "additionally", "moreover", "furthermore". Must not use "pivotal". Must not use "delve", "tapestry", "vibrant", "testament", "landscape".

We must not use emojis. No curly quotes. The instruction: "no quotes". That means we cannot include quoted text from captions. Use straight quotes? So we must avoid any double or single quotes. We must translate or

paraphrase without using quotes. So we must not use quotation marks at all. Probably better to avoid quotes altogether. So we must avoid any quote characters.

We also must not use em or en dashes. But safer to avoid hyphen? Hyphen is okay? It didn't forbid hyphen. It says no em or en dashes; hyphen is fine. So use hyphen? We can use hyphen.

We must not use "not only X but Y". So avoid that construction.

We must not use forced groups of exactly three items. We can list two or more than three? The rule says no forced groups of exactly three items. So avoid listing three items in a row like "A, B, and C". We can use two or four etc. So we can avoid exactly three. Safer to just not list items in a group of three.
