About This Collection

NTRMAN opens with a small village and a Queen who adopts a Goblin, then moves through Milfs in POV clips and Tsugumi's hentai scene. Lust Voyage and Arrival of the Goddess bring Oluchi, Claire, John, and Ahanu into animated CG routes, while Season of Loss plays out scene by scene. Camp with mom and an annoying friend sits beside Tenant of the Dead, new Nelson ending included, and Son POV gameplay. View the full gallery through the link above.
