About This Collection

Silver metallic wallpaper sets the tone for this HD set, with grey backgrounds and reflective chrome texture catching every pose. Glossy finishes move between bronze and brown, while gold accents and silver shimmer pick up the light. Models move against all that shine, letting the surfaces do part of the work. Red lights bleed across one scene, and fractal art fills another. A perforated metal grille and fine horizontal lines add structure to the frame. Step into the full gallery above to see how each shot uses the material.
